

# AI SKILLS 4 YOUTH WORKERS

AI Skills 4 Youth Workers aims to create an interactive exchange between youth workers (YW) from Italy and Spain, to develop, disseminate, and share digital skills and resources related to the professional and ethical use of AI-based systems.

## >> WHAT WE DO

- We establish a community of practice for Youth Workers to understand and utilise generative AI in non-formal educational contexts.
- We enhance the digital skills of Youth Workers in using generative AI
- We develop a digital product (Learning Object) to foster the digital skills of Youth Workers in using generative AI

## WHO WE ARE

- Arcipelago APS Association (Italy)
- Fundación Esplai Comprometida (Spain)

## WHAT WE AIM TO ACHIEVE <<

- Engage Youth Workers in experiential training activities and workshops.
- Create 1 digital product (Learning Object) with resources for the ethical and conscious use of generative AI in non-formal education, available to all Youth Workers.
